NEW YORK COLLECTIONS

SHOT AT
FRIEZE LOS ANGELES

*The perfect setting for
New York fall fashion?
The brownstone-and-skyscraper-
filled back lot at Paramount
Pictures Studios, where
the City of Angels' top
artists reimagined
Gotham for the international
art fair's L.A. debut.
By Kevin McGarry*

Photographs by Zoey Grossman

**MAX HOOPER
SCHNEIDER**

Female Odobenid is a gleaming attempt at melding human and animal—a walrus, specifically—into one form. “I continue to speculate on scenarios where climate change yields genetic mixing or hybridity,” says Max Hooper Schneider, an L.A. native with degrees in biology and landscape architecture. “It’s my love letter to extremophilic life.” ■
